THANKSGIVING OUTREACH: FEEDING HEARTS & HOMES

Each year on Thanksgiving Day, Trinity Episcopal Church opens its doors and kitchens to share the abundance of God’s love with our neighbors in a community-wide ministry of compassion. This year, we expect to prepare and deliver between 900 meals to individuals and families, the elderly, the homebound, local jails, the police department, and the fire department.

Behind each meal is a story of generosity. It’s an extraordinary picture of the Body of Christ at

work — many members, one mission: to love and serve. As Jesus reminds us, “I was hungry and you gave me food, I was thirsty and you gave me drink” (Matthew 25:35). In a time when food insecurity is growing — with more than 3 million Texans depending on SNAP benefits and 1 in 7 households facing food insecurity — every act of service matters.

You can help by volunteer – come anytime between 8:30 - 11:30am

on Thanksgiving Day (11/27). Other ways to help include a financial gift to cover expenses, helping to spread the word to people who either need a meal or might want to volunteer, and by praying for those serving and those receiving meals. Whether you’re able to come pack take-out containers, deliver meals, or offer prayers for those we serve, your participation brings warmth and hope to our community. Together, we’ll make this Thanksgiving a feast not just of food, but of gratitude and grace.

Yours in Christ, Rev. Dana

Notes from Trinity School

Our PreK through 1st-grade students recently enjoyed a wonderful Fall Discovery Day at Trinity Episcopal School! The morning was filled with hands-on learning, crafts, and autumn-inspired activities that encouraged curiosity and creativity. A special highlight was seeing our 7th- and 8th-graders step into leadership roles as helpers in the classrooms, guiding younger students, assisting teachers, and sharing in the joy of learning together. Events like these remind us of the strong sense of community and servant leadership that make Trinity such a special place to grow in mind, body, and spirit.

In Christ's love, Carrie Hammack, Head of School

Notes from the Choir

As we enter November, a season of reflection and thanksgiving, our hymn of the month reminds us of God's faithfulness through every circumstance. "Now Thank We All Our God" was written in the 1600s by Martin Rinkart, a German pastor who lived through war, famine, and plague. In the midst of great hardship, he still found reason to give thanks — a powerful example for us today. This hymn calls us to lift our hearts, hands, and voices in gratitude to the One "who wondrous things hath done." As we sing it throughout the month, may it deepen our spirit of thankfulness and prepare our hearts for the Advent season ahead.

Together in song and spirit, Jim Johnson, Music Director & Organist

Nativity Gallery During Advent - Nov. 30-Dec. 21

This Advent, we invite the whole parish to help create a "Nativity Gallery" in the parish hall. Parishioners are encouraged to share their own nativity sets—whether handmade, passed down through generations, brought home from travels, or simply meaningful in their own way. We will provide tables to display the sets, along with a card listing the owner's name and any information you'd like to share (where the set is from, why it is special to you, how old it is, etc.). Together, our parish hall will be transformed into a beautiful display of faith, memory, and tradition.

If you would like to participate, please sign up using this Google form:

<https://forms.gle/zkMAfQT3QTVyZxiB7>

so we can prepare your display card.

Harvest Dinner

Join us for the annual Harvest Dinner, Wed. Nov. 19 at 6:30 in All Saints Hall. Bring a dish to share and come celebrate the gifts God has blessed us with through the stewardship campaign!
